

Welcome to the *5 Days on Learn to Abide Bible Reading Plan*.

The aim of this plan is to study what it means to abide in Christ. What does that actually mean? What is Jesus calling us to practically do.

Reading the Word of God is a habit that needs to be cultivated, practised and maintained. Paul tells Timothy, his disciple, that all of Scripture is inspired by God and will equip us for everything that we do. Therefore, reading it on a daily basis is indispensable to living a life in Christ.

*All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, 17 that the man of God may be complete, thoroughly equipped for every good work.*  
*2 Timothy 3:16-17 (NKJV)*

We pray the *5 Days on Learn to Abide Bible Reading Plan* will help you build a solid Bible reading habit and grow more in Christ.

If you have any questions about anything that you read in your Bible, be sure to make a note of it and discuss it with your Life Group leader.

## *S.O.S. Bible Application Method*

---

### S. What does the scripture or passage *Say*?

- Read through the scripture passages set for the day.
- In your own words describe what the scripture or passage is saying.

### O. What should you *Obey* in the scripture?

- Have a look carefully for any instructions in the passage, or principles, or life lessons that you can put into practice in your own life.
- Spend a few moments in prayer asking the Holy Spirit to guide you into what Father God wants you to obey in the coming week.
- Create an “I will...” statement. This is a clear statement committing to do something in a set period of time. Eg “I will read my Bible for 15 minutes every day.”

### S. Who can you *Share* what you have learnt with?

- When you share what you have read or learnt with someone else you can retain up to 90% of the information. If you do not share you will likely only retain around 10%.
- Commit to sharing what you have read and learnt with someone in the next 24 hours.
